Our Mission Statement

We, the parish family of St. Ephrem, baptized into the life of Jesus Christ and nourished by the Word and the Eucharist, strive to be a welcoming and responsive Roman Catholic faith community. Together we are committed to put our faith into action by: Responding to the spiritual and physical needs of the community through service and charity.

Reaching out to those who are searching for a faith community, including the young and those seeking to re-kindle their relationship with God. Reaching out to all without distinction.

Passing on our faith and traditions through teaching by word and example. Connecting to where people are on their faith journey.

Actively participating in the worship, sacrament and devotional life of the church.

Our Lord Jesus Christ, King of the Universe

November 26, 2023

"The Son of Man will sit upon his glorious throne and he will separate them one from another."

Matthew 25:31-46

Dear Parishioners:

The solemnity of Our Lord Jesus Christ, King of the Universe, was instituted by Pope Pius XI in 1925 as response to the social political climate of the time. Pope Pius XI hoped to encourage believers to embrace Jesus Christ as not only the Sovereign of their hearts, but also the Sovereign of all nations and peoples.

When we envision royalty, we think of glamour and adventure, of triumph and power. Kings and queens are people set apart; people greater than others. In this gospel, Jesus offers us a radically different image. He comes in glory and power, yes but underlying this is radical solidarity with the least ones of his kingdom. Christ's power is used to encourage just and compassionate treatment of those we are all too quickly to overlook: people who are poor, unfamiliar, and imprisoned. His power lies not primarily in shaming and banishing those who do not obey this command, but in his deep identification with those in need. We would probably claim that we would treat Jesus with the utmost respect, deserving of his unique place in the cosmic kingdom. Here he tells us, though, that we have opportunities to do so all the time. How we treat the least ones we encounter is how we treat Christ, our King.

Today's gospel paints a vivid picture of the end times. Over the past few weeks, we have heard Jesus preach about the ways we are to live as we await the coming of God's kingdom. Matthew leaves little to the imagination in this final scene. When the Son of Man comes in glory, we will be judged by how we treated the poor and the marginalized, Christ in our midst.

Caring for our neighbors is need is challenging work. How easy it is to walk by the person asking for grocery money or to keep at arm's length the immigrant family new to town. Yet easy is not the Christian way. Guided by the Holy Spirit, we can do the hard work of loving our neighbors.

Office of the Bishop
Diocese of Brooklyn

**310 Prospect Park West
Brooklyn, New York 11215**

November 3, 2023

To the Clergy, Staffs and the Faithful parishioners of Brooklyn and Queens.

Recently, I met with our Vicar General, Regional Vicars, local Deans and priests during our annual Priest Convocation in Douglaston. During this gathering, we discussed important issues that we will need to address in the near future, like new models of parish life, possible collaborations among parishes regarding Religious Education and other ministries, as well as assessing the current Mass schedules at all our parishes.

Allow me to share with you some statistics that were shared with the priests:

- In 2017, Mass attendance in our Diocese was reported at an average of 205,502 people per weekend. In 2022, the average was reported at 124,031. Due to demographic changes as well as the overall national trend of fewer Catholics attending Sunday Mass regularly, we see a decrease of nearly 40 percent in Mass attendance in our diocese in the last 5 years. This decline in Mass attendance means that we have in many parishes throughout the diocese large capacity churches with a significantly reduced Mass size.
- Due to a high number of priest retirements and deaths in recent years, there are fewer priests serving in our 175 parishes.
- In our diocese Mass is celebrated in 14 different languages on a weekly basis and in 26 languages monthly. This unique pastoral challenge in combination with the reduced number of clergy with bi-lingual skills further complicates the ability to best serve our parishes with specific language needs.

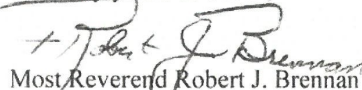

There is no simple solution to these issues. In many of our parishes it is evident that we do not need so many separate Masses to accommodate the number of parishioners in attendance at Sunday Eucharist each week. We are asking pastors and administrators throughout the diocese in Brooklyn and Queens, in consultation with their pastoral councils, to review and evaluate their Mass schedules. In many parishes, the number of Masses celebrated each weekend could be reduced by at least one or maybe more Masses, depending on the number of people attending and the capacity of each church.

Additionally, your pastor in coordination with your Regional Vicar and local Dean, are beginning discussions at the deanery level concerning possible collaborations among neighboring parishes regarding Religious Education programs and other ministries, that could possibly lead to formal parish partnerships.

I ask for your openness and cooperation with these possible changes. Not every parish will be affected, but most will go through some sort of adjustment, in order to be able to most effectively serve the current needs of the People of God in our great Diocese.

Be assured of my prayers for each of you, and may I humbly ask for your prayers, especially for our pastors and administrators, and all those who will be part of these discussions taking place throughout our parishes and deaneries.

Sincerely yours in Christ,

Most Reverend Robert J. Brennan
Bishop of Brooklyn
